

Procedure for ISO 17021 Accreditation

- Certifiers (or Accreditation Bodies) should work in cognisance of ISO 17021.
- The license interaction assesses the documentation and the exercises of the candidate and uses a scoring convention to show up at a certification choice. Site visits and additionally video call-based evaluations by UKJAS will be required.
- Candidates are expected to pay (i) an application charge and (ii) a yearly expense for each certificate they issue to their clients. Yearly, charges paid should rise to or surpass the yearly organization expense characterized to keep away from extra charges.
- All certificates should be enrolled at www.ukjas.com

Definite Method

1. Make a proper application for license. Candidates are supposed to be acquainted with this endlessly guide Skill Necessities.
2. The application structure will be looked into, and additional data might be mentioned. Once the application is acknowledged, a receipt for application organization charge and examiner reconnaissance day rate will be given.
3. The candidate certificate body is expected to agree with the necessities of ISO 17021 most recent version.
4. Proof of legitimate substance status should be given the application structure. This can be a connection to an internet based public or state register.
5. For existing Certifiers, other data (like minutes of unprejudiced nature council gatherings, names of unprejudiced nature council individuals, and inward review reports), ought to be given.
6. UKJAS will send key records to the candidate that the candidate, if fruitful would have to follow. These are:
 - Agreement and Update of understanding
 - Agreements
 - Governing set of rules
 - Global Affiliations
 - Authority
 - Utilization of imprints
 - Phrasing of authentications
7. The candidate ought to send faculty subtleties CVs/Profiles of staff engaged with the appraisal also, accreditation process.

8. The following stage is to present the complete bundle of ISO 17021 documentation for UKJAS to lead a phase one Record Survey. This will also require the candidate finishing a Succeed based self-survey structure.
9. There might be a remedial activity cycle to get the documentation to a good state.
10. When fulfilled that the report audit meets our rules the candidate will be prepared to be without a doubt temporary license status by UKJAS.
11. The candidate will be expected to print, sign, and seal the Agreement and Update of Grasping, examine it and shipping off UKJAS. UKJAS will send last Agreements and Memorandum of Understanding to the candidate. An example contract and MOU can be provided upon demand.
12. UKJAS should give a temporary license declaration when fulfilled that the report structure is sufficient. The candidate is recorded on UKJAS.
13. UKJAS will give a license reference with the goal that the candidate might enlist certificates details of registrants and issue endorsements.
14. The candidate leads the main evaluation and certificate movement. The candidate sends UKJAS filtered or electronic records of the multitude of reports connected with that evaluation and affirmation. These should be as per the records that UKJAS had before investigated. (This cycle might have been directed before in the event that the candidate has been exchanging for quite a while).
15. The candidate directs a further four evaluations and send us duplicates of the desk work.
16. UKJAS will lead site observer of the candidate's action when is conceivable. The candidate is expected to pay UKJAS day-rate, travel, and convenience costs. Where potential we will involve nearby UKJAS agents for this reason. Candidates ought to observe that the site witness is certainly not a surefire finish of progress. Should tasks not meet the strategies accommodated the stage 1 Record Survey, then, at that point, full certify status will be denied. Along these lines, candidates are prompted not to make extreme or misdirecting claims.
17. The candidate license status will then become INTERMEDIATE or FULL. Candidate is recorded on UKJAS site with admonition if fundamental. Certifiers are arranged.
18. The certifier proceeds to survey and issue authentications however doesn't have to send desk work.
19. The candidate should exhort UKJAS by all the accreditations that the certificate body has led at the time they are given to clients. Confirmation expenses are paid online at through the UKJAS website.
20. UKJAS will screen the level of the confirmation body movement and lead authorization audits as per risk factors, like level and geological reach of confirmation movement, past non-congruities, and so on.
