III. Foreword

The purpose of **Detail of Project Report** has been established for meeting the requirements of Investors to generate the investment by **UKJAS Accreditation Pvt Lt.**

General details, organizational structure, responsibilities, authorities and relationship of personnel and the method of carrying out of task of each element of the system have been given in this **Detail of Project Report.** Wherever applicable references have been given to other relevant documents.

Detail of Project Report provides guidance to invest in our organisations with this documented system, maintain orderliness and ensure clarity and uniformity in the description of work by different personnel.

Investor Manager is responsible for control of the contents, distribution and general administration of this **Detailed Project Report.** Up-dated **Detail Project Report** is made available to recipients as soft copy with “read only” access.

The uncontrolled copies of this manual are issued for general information of our investors and other interested parties and the revision follow-up of these is not definite.

This manual will be of use to our investors and other interested parties for knowing our investment portfolio, its investment opportunities, our capabilities and our investment opportunities provided by us. This will also be useful to them to know how we are fulfilling investors / interested parties’ requirements and are continually improving keeping in view the range of our investment portfolio, systems and facilities

IV. Introduction

UKJAS Accreditation Pvt Ltd stands as an independent accreditation body with a global footprint, dedicated to upholding the highest standards in conformity assessment. Established to bridge the gap between regulatory expectations and industry needs, UKJAS evaluates organizations worldwide that deliver certification, testing, inspection, calibration, and training services against internationally recognized benchmarks like ISO/IEC standards. Its non-profit ethos ensures impartiality, fostering trust among governments, multinational corporations, private entities, and individuals who rely on accredited services for quality assurance.

Recognized by diverse stakeholders, UKJAS assesses certification bodies, rating agencies, industrial associations, and training institutes to confirm their competence and integrity. This accreditation process verifies adherence to rigorous criteria, such as ISO/IEC 17021 for management systems, ISO/IEC 17020 for inspections, and ISO/IEC 15189 for medical labs, enabling seamless mutual recognition across borders. By promoting voluntary oversight without wielding regulatory authority, UKJAS empowers organizations to demonstrate credibility and reduces redundant evaluations in supply chains.

This network supports innovation, entrepreneurship, and the broader adoption of accreditation in sectors like healthcare, manufacturing, and e-commerce.

Through its commitment to excellence, UKJAS not only enhances organizational performance but also contributes to sustainable industry practices worldwide. Its growing roster of 1500+ registered assessors and auditors underscores a robust ecosystem for continuous improvement and international collaboration. As accreditation demands evolve, UKJAS remains a pivotal player in ensuring reliability and competitiveness for its clients.

V. Overview Summary

UKJAS Accreditation Pvt Ltd Service, is an independent, non-profit body in India with global reach, established in 2008 and incorporated in 2017 (CIN U80101HR2017PTC071185).

It accredits certification bodies, testing labs, inspection agencies, and training institutes to standards like ISO/IEC 17021 and 17020.

UKJAS ensures competence through voluntary, impartial audits without regulatory power, serving healthcare, manufacturing, and e-commerce sectors.

Over 10 certification bodies accredited, 1500+ assessors registered, and 1200+ organizations certified, listed on iregister.com for verification.

The process spans 1-6 months, involving document review, on-site audits, and corrections for mutual global recognition.

Recognized by governments and multinationals, it reduces redundant supplier checks.

Headquartered in Palwal (Delhi-NCR), with offices in Vasai West (Mumbai) and Allahabad, UKJAS promotes "certified once, accepted worldwide."

Detailed Project Report – UKJAS ACCREDITATION PVT LTD

1. Introduction

UKJAS Accreditation Private Ltd is an independent, private accreditation body established in India to assess and accredit certification bodies, testing labs, inspection agencies, training institutes, and related organizations against international standards like ISO/IEC 17021, 17025, 17020, 17024, and 15189.

2. Company Profile

UKJAS Accreditation Private Limited is an independent, non-profit-distributing accreditation body incorporated on October 18, 2017, under CIN U80101HR2017PTC071185 with the Registrar of Companies in Haryana, India. Headquartered at Platform No.-5, Railway Colony, Asowati, Palwal, Faridabad, Haryana 121102, it specializes in voluntary accreditation for certification bodies, testing labs, inspection agencies, medical labs, and training institutes against ISO/IEC standards like 17021, 17025, 17020, 17024, and 15189.

3. Founder's Profile

Mukesh Kumar Singh serves as Director of UKJAS Accreditation Private Limited (DIN: 05129771), appointed on October 18, 2017, alongside Sima Mukesh Singh, leading the company's accreditation operations. With a background in telecommunications sales at Hutchison Max (now Vodafone) and corporate roles at Dow Chemicals across India, USA, and Europe, he transitioned to entrepreneurship during the 2008 recession, founding Six Sigma Quality International and related ventures focused on quality, sustainability, and cyber security.

4. UKJAS Services

UKJAS Accreditation Private Ltd offers accreditation services for certification bodies, testing and calibration laboratories, inspection bodies, medical laboratories, and personnel certification bodies under international standards including ISO/IEC 17021 (management system certification), 17025 (testing/calibration labs), 17020 (inspection), 17024 (personnel), 17065 (product certification), and 15189 (medical labs).

5. Sustainability and ESG Audit Services

UKJAS Accreditation Private Ltd provides accreditation for certification bodies issuing ISO 14001 Environmental Management System (EMS) certifications, which form the foundation for sustainability and ESG (Environmental, Social, Governance) audits by addressing environmental aspects, compliance, and continual improvement.

6. Market Overview and Industry Trends

India's Testing, Inspection, and Certification (TIC) market, encompassing accreditation services, reached USD 7.9 billion in 2025 and projects growth to USD 10.9 billion by 2034 at a CAGR of 3.63%, driven by regulatory compliance, manufacturing expansion, and sectors like pharmaceuticals, automotive, and electronics.

Key Growth Drivers

Regulatory Mandates: Government initiatives like Make in India, FSSAI standards, and World Accreditation Day 2025 emphasis boost demand for third-party accreditation in quality, safety, and exports.

Sector Expansion: Certification segment grows fastest at 7.4% CAGR (2025-2030), fueled by ESG/sustainability audits, EV testing, and digital TIC solutions amid globalization.

Global Positioning: India ranks 5th worldwide in accreditation systems, with increasing need for multiple bodies to meet international trade standards.

7. Target Market Segmentation

UKJAS Accreditation Private Ltd segments its target market primarily into certification bodies (45%) issuing ISO 9001, 14001, 45001, and green building schemes like GGBC under ISO/IEC 17021/17065; testing/calibration labs (25%) for ISO 17025 compliance in chemical, mechanical, and electrical scopes; inspection agencies (20%) under ISO 17020 for product/process verification; and specialized entities (10%) including medical labs (ISO 15189), personnel training (ISO 17024), and ESG/sustainability auditors, focusing on SMEs (80% clients), exporters, and non-regulated sectors across Tier-2/3 cities in Haryana, Maharashtra, and nationwide with manufacturing/services/infrastructure verticals.

8. Value Proposition and Differentiators

UKJAS Accreditation Private Ltd's value proposition centers on delivering cost-effective, hassle-free accreditation (1-6 months) with "certified once, accepted worldwide" recognition through impartial audits under ISO/IEC 17021/17025 standards, independent of government regulation and tailored for SMEs via flexible fees based on operation size, multiple scheme assessments at minimal extra cost, and affiliations like the World Accreditation Forum for mutual recognition on platforms such as irppo.com. Key differentiators include non-profit-distributing status ensuring integrity without red tape, continuous monitoring of 1500+ assessors for consistent procedures, innovation in proprietary schemes like GGBC green building and energy certifications, and reassurance for supply chains by reducing multiple assessments while prioritizing client delight and value-for-money over larger regulated bodies.

9. Competitive Landscape

UKJAS operates in the global accreditation and conformity assessment market, which is characterized by a mix of highly regulated national authorities and independent accreditation bodies. The environment is competitive due to factors such as recognition, credibility, and adherence to international standards.

10. Go-to-Market Strategy

UKJAS Accreditation Private Ltd employs a B2B go-to-market strategy targeting SMEs and exporters via digital channels (ukjas.com, IndiaMart listings, LinkedIn), industry directories (irppo.com, JustDial), and trading entity Six Sigma Quality International for lead generation through service listings like ISO trainings and certifications.

11. Awareness and Education Initiatives

UKJAS Accreditation Private Ltd drives awareness through its dedicated UKJAS Training Academy offering public and on-site programs on ISO standards (17021, 17025, 17024), documentation, and accreditation processes, including lead auditor courses like 5-day ISO 27001 ISMS training covering audits, certification, and UKJAS requirements.

12. Operations and Supply Chain Network

UKJAS Accreditation Private Ltd operates a lean, decentralized model with a registered headquarters at Platform No.-5, Railway Colony, Asowati, Palwal, Faridabad, Haryana 121102, and operational hubs in Mumbai/Vasai (107 Mehta Chamber, Station Road, Vasai West; B-401 Om Kaveri CHS, Nalasopara East), leveraging a network of over 1500 registered assessors, auditors, and quality personnel for nationwide on-site audits and surveillance.

13. Agile & Lean Process Implementation

UKJAS Accreditation Private Ltd implements agile and lean processes through a streamlined accreditation workflow minimizing waste: electronic application and checklist-based document review (immediate feedback on non-conformities), rapid lead times of 1 week-3 months for on-site audits via 1500+ decentralized assessors, and total cycle completion in 1-6 months with flexible corrective action periods tailored to client readiness and scope complexity.

14. Research & Development and Innovation

UKJAS Accreditation Private Ltd maintains a dedicated new product development program emphasizing innovation and entrepreneurship, assessing market-driven proposals for new accreditation schemes based on genuine need, stakeholder involvement, technical standards compliance, and public interest to ensure international eligibility.

15. Financial Overview and Projections

UKJAS Accreditation Private Ltd operates as a non-profit-distributing entity wholly funded by services, with over 90% revenue from assessment and accreditation fees (application, audit, surveillance) and the balance from training programs and mission-related projects, maintaining financial independence without grants or government funding.

16. Funding Requirements and Allocation

UKJAS Accreditation Private Ltd, operating as a self-financing non-profit-distributing entity with INR 1,00,000 authorized/paid-up capital since 2017, currently requires no external funding as it sustains operations entirely through accreditation fees (>90% revenue), training, and projects without grants or investors.

17. Risk Management and Mitigation

UKJAS Accreditation Private Ltd manages risks through ISO 17011-compliant impartiality controls, continuous surveillance of 1500+ assessors, and non-conformity resolution protocols during accreditation (document review, on-site audits, corrective actions within flexible timelines), ensuring competence and worldwide acceptance via irppo.com listings.

18. Vision, Mission, and Impact

UKJAS Accreditation Private Ltd envisions becoming a leading international accreditation body respected for integrity, practicality, and impartiality, fostering innovation and entrepreneurship as a standard setter recognized by industries worldwide. The mission focuses on oversight of certification bodies, testing labs, inspection agencies, and training institutes through independent, impartial assessments under ISO/IEC standards, promoting "certified once, accepted worldwide" via continuous monitoring, World Accreditation Forum affiliation, and hassle-free processes without regulatory enforcement.

19. Customer Engagement and Growth Metrics

UKJAS Accreditation Private Ltd engages customers through digital platforms (ukjas.com inquiry forms, e-library, FAQs), trading entity Six Sigma Quality International listings on IndiaMart/JustDial, assessor training programs, and accredited organization directories on irppo.com, fostering repeat business via annual surveillance and referrals from 10+ accredited certification bodies.

20. Future Expansion Plans

UKJAS Accreditation Private Ltd plans nationwide expansion from current Haryana/Maharashtra hubs to Tier-2/3 cities, targeting 20+ accreditations by 2027 through new scheme development (energy, facilities management, oil & gas) and digital platform enhancements for remote audits.

21. Appendices and Supporting Documents

UKJAS Accreditation Private Ltd (CIN U80101HR2017PTC071185, incorporated October 18, 2017) maintains key appendices including Certificate of Incorporation from Registrar of Companies Haryana, registered address at Platform No.-5, Railway Colony, Asowati, Palwal, Faridabad, Haryana 121102, and operational hubs at 107 Mehta Chamber, Vasai West, Mumbai and B-401 Om Kaveri CHS, Nalasopara East; accreditation standards scope (ISO/IEC 17021/17025/17020/17065/17024/15189 covering management systems, labs, inspections, green building GGBC); client metrics (10+ accredited bodies like Deming Certification, 1500+ assessors, 1200+ organizations); and supporting resources such as ukjas.com e-library/FAQs/guides, investor relations/financial reports, brochures, and irppo.com directories for verification.
